Dear Mr. Aird:

Very many thanks for the generous gift of the Canadian Bank of Commerce for the University Overseas Hospital. I have this morning received a cheque from the Bank of Toronto for $250.00 and one for $500.00 from the Canada Permanent Mortgage Corporation. We are also receiving contributions from the Insurance Companies.

Yours sincerely,

President.

April 29th, 1915.

John Aird, Esq.,

Assistant General Manager,

Canadian Bank of Commerce, Toronto.

Dear Mr. Aird:

Sir Edmund Walker has told me that the Canadian Bank of Commerce has very generously offered to subscribe $1000.00 for the University Overseas Hospital, but that the Bank would prefer to send its subscription after other Banks had been consulted as to what they would do. I have sent a letter to and visited the Managers of the Banks of the City and so far I have had favourable replies from the Imperial Bank and the Bank of Hamilton, which have each given $250.00, and the Home Bank, which has subscribed $100.00. As the Hospital may perhaps leave next week may I ask you if you will be good enough to send the subscription of the Canadian Bank of Commerce as soon as convenient to Dr. A. Primrose, 100 College Street, Secretary of the Faculty ?

I am,

Yours sincerely,

President.
